

REPAIR FINANCING

ANOTHER WAY WE HELP YOU
MANAGE YOUR BUSINESS.

VOLVO

Financial Services

Don't let the cost of repairs leave you broken down.

Volvo is committed to the success of your business. From the equipment you put on the job site to its care and maintenance, Volvo provides you with a total transportation solution.

Repair financing from Volvo Financial Services is one way to help keep your business running smoothly — by getting you back on the job site quicker.

Benefits:

- Make just one monthly payment for both equipment and repair costs.
- Manage your cash flow more effectively.
- Conserve capital for other needs.
- Competitive rates and flexible terms.
- Fast application submittal.

Talk with your Volvo dealership representative to find out how to apply for repair financing today.*
